Dear Client:

After much thought, and with a heavy heart, I have determined that I must permanently close EBPI's Weymouth/Quincy office. Multiple circumstances, including the retirement of Mary Anne Paradise and the need for me to take a greater role in my father's firm, coupled with the difficulty of finding the perfect person to advise and assist my clients, have led me to this difficult decision.

I had hoped this step would not be necessary, and as those served by that office know, I hired someone to take over and handle all the Weymouth responsibilities. Heather was a good tax preparer but the pace and stresses of all the other duties that come with managing an office is a learned set of skills. I underestimated how difficult that job is.

My hope is that you will come to the Easton or Wellesley office for your once-a-year tax appointment. I do serve clients all over the world via mail or email. The office will be happy to guide you through uploading your documents to me, if you would rather not make the trip to Easton or Wellesley.

If none of these are good options for you then let me say thank you. I appreciate your business and the friendships I have developed over the years. I can honestly say I enjoyed our meetings every year. It has always amazed me that I could remember each and every one of you after just a half hour appointment. I will miss our visits and I wish you all the best going forward. If you ever need anything, please don't hesitate to call.

**\*PLEASE NOTE--**The Weymouth phone number and fax are now forwarded and will ring in our Easton office. Please do not put anything through the Weymouth office door mail slot. Our keys to that location have been turned back to the landlord. Direct all mail to either Wellesley or Easton.

Thank You,
